Total Vision Services Plans

The Dental Care Plus Group (DCPG) is pleased to offer you access to a free vision discount program with your dental benefits plan. You and your plan members will be enrolled in one of two programs offered by Total Vision Services (TVS): the TVS product or the Coast to Coast product. Both programs feature discounts with unlimited usage, no paperwork to file and no health restrictions. Your enrollment in the appropriate program is automatic and based on your home ZIP Code.

Total Vision Services Plan

The Total Vision Services Plan enables you and members of your family the opportunity to purchase optical goods and services at substantial savings at reputable optical providers. The program provides discounts of 20-50 percent on eyeglasses, contact lenses (excluding disposables) and many other items offered at retail. You will also receive savings of 10-30 percent on medical eye exams and surgical procedures including refractive surgery.

How to Use the Total Vision Services Plan

Simply present your DCPG ID card at any of the provider locations to receive your program discount. If you decide to use your own eye doctor and not take advantage of the reduced examination fees under the TVS product, take your prescription to any of the provider locations and they will fill it for you at TVS product rates.

Coast to Coast

Coast to Coast (CTC) has contracted with more than 12,000 eye care professionals nationwide to provide you and your family a 20-30 percent discount on eyeglasses, contact lenses (excluding disposables) and many other items offered at retail. Discounts of 10-30 percent on eye examinations are available at most participating locations. You can save up to 40 percent on contact lenses through mail order.

How to Use the Coast to Coast Plan

You will receive a separate ID card through the mail at your home address. Tell the provider that you are a member with access to the Coast to Coast Vision Program. You must present your ID card prior to service. Should you decide to use your own eye doctor and not take advantage of savings on examination fees under the Coast to Coast Program, take your prescription to any of the provider locations to receive the Coast to Coast discount on materials (frames and lenses).
